Received 52 e-mails in opposition all with similar wording/thoughts as the following:

Dear Utility Division,

Four Arizona utilities (APS, Trico, TEP, and SSVEC) are currently trying to tax solar customers. They are attempting to do this outside of the established proceeding , as a rate case.

1. Utilities shouldn't get special treatment to raise rates for solar.
2. The fair process for discussing solar rates is in a rate case.
3. All Commissioners, and APS, have stated that solar rates should be looked at in a rate case.
4. I ask that all Commissions should stick to their word and not let utilities raise rates outside of the proper venue.

Thank you for your time
